Throughout 2017, Rebuilding Together NeighborWorks Umpqua was a vital contributor for the community and economic development of Douglas, Coos, and Curry counties in Oregon. We helped bring \$9.6 million in investments to our service area and preserved 129 houses while repairing and constructing 23 houses. 481 clients were prepared for homeownership and financial fitness through our education programs and 3,067 families were also helped through education programs. Through AmeriCorps members, Rebuilding Together NeighborWorks Umpqua hopes to efficiently and effectively utilize resources and best practices to reach more families in need.

Made up of seven diverse regions, Oregon has the ocean, mountains, valleys, high desert, cities, small towns, and almost everything in between. Rebuilding Together NeighborWorks Umpqua services five counties in southern Oregon, arguably the most beautiful part of the state. Containing six national forests, one national park, two wildlife refuges, southern Oregon is a dream for nature enthusiasts and has offered unique areas of service for Rebuilding Together NeighborWorks Umpqua, including food systems of fishers and tax services for vineyard field workers. Come experience why Oregon is magic.
