Host Site: Rebuilding Together Oklahoma City
AmeriCorps Program: CapacityCorps
Title: AmeriCorps Project Coordinator
Location: Oklahoma City, Oklahoma

About Our Community
Rebuilding Together Oklahoma City (OKC) is proud of the work we do in the neighborhoods we serve. Last year, we served 142 homes in the Oklahoma City Metro area with repairs such as ADA compliant ramps, ADA toilets, grab bars, and new roofs to replace the old leaking ones. As an AmeriCorps member serving with RTOKC, you would be able to serve these homeowners by working directly on their homes to create a large impact in the Oklahoma City community.

Summary of Position
A well-run rebuilding project requires a lot of planning and skill behind the scenes to ensure that clients, volunteers, and others come together to have an impactful, uplifting project day. The AmeriCorps Project Coordinator manages rebuilding projects from start to finish, beginning with the application intake and initial home repair needs assessment and throughout the completion of each workscope. They will coordinate with clients, skilled volunteers, community partners, and staff to develop and implement sustainable and effective project logistics practices. The AmeriCorps Project Coordinator will follow up with clients after each project to ensure that the health or safety concerns of the clients were addressed according to each workscope and complete any punchlist items.

Essential Duties and Responsibilities
- Assist in receiving and reviewing applications from potential clients, talk with clients over the phone and complete initial site visits to get more in-depth information about the client’s needs.
- Coordinate communication between clients, staff, House Captains, and contractors such that all parties are on the same page about work scope, timeline/timing of project elements, and expectations.
- Meet with clients to complete home assessments, develop a work scope and materials list, and collaborate with other team members to develop a project timeline (especially if coordination with volunteers or contractors is required).
- Complete direct hands-on repairs, including but not limited to: rough/trim carpentry, tile work, grab bar installation, wheelchair ramp/safe entry/egress repairs, interior/exterior painting, and weatherization.
- Arrange purchase and delivery of crucial project needs, including: tools and materials, personal protective equipment, dumpsters and other rented items, water and snacks. Maintain a system for warehouse inventory to allow bulk purchasing, the reuse or repurposing of tools/materials, and an efficient supply chain. Ensure routine maintenance of Rebuilding Together-owned tools between projects.
- Ensure clients sign all necessary paperwork and agreements when opening and closing projects.
