

Rebuilding Together CapacityCORPS

AmeriCorps Project Coordinator

Host Site: Rebuilding Together Peninsula
AmeriCorps Program: CapacityCORPS
Title: AmeriCorps Project Coordinator
Location: Redwood City, CA – SF Bay Area

About Our Community

Rebuilding Together Peninsula (RTP) serves low-income, elderly, and disable homeowners, as well as community facilities serving low-income communities, in the San Francisco Bay Area. We are located between the San Francisco and Silicon Valley affiliates, specifically serving San Mateo County and Northern Santa Clara County. Each year we serve more than 150 low-income homeowners and 25 community facilities through our National Rebuilding Day, Team Build, and Safe at Home programs. These programs are supported by a team of 11 full-time staff members, with support from local contractors and approximately 2,000 community volunteers per year.

Summary of Position

A well-run rebuilding project requires a lot of planning and skill behind the scenes to ensure that clients, volunteers, and others come together to have an impactful, uplifting project day. The AmeriCorps Project Coordinator manages rebuilding projects from start to finish, beginning with the initial visit to assess the client's home repair needs, through the completion of the workscope and final project evaluation. They will coordinate with clients, skilled volunteers, community partners, vendors, inspectors, and staff to develop and implement sustainable and effective project logistics practices. The AmeriCorps Project Coordinator will follow up with clients after each project to ensure that the health or safety concerns of the clients were addressed according to the workscope and complete any punchlist items.

Essential Duties and Responsibilities

- Coordinate communication between clients, staff, House Captains, and contractors such that all parties are on the same page about work scope, timeline/timing of project elements, and expectations.
- Meet with clients to complete home assessments, develop a work scope and materials list, and collaborate with other team members to develop a project timeline (especially if coordination with volunteers or contractors is required).
- Arrange purchase and delivery of crucial project needs, including: tools and materials, personal protective equipment, dumpsters and other rented items, water and snacks. Maintain a system for warehouse inventory to allow bulk purchasing, the reuse or repurposing of tools/materials, and an efficient supply chain. Ensure routine maintenance of Rebuilding Together-owned tools between projects.

- Oversee general volunteers in completing direct hands-on repairs. Ensure that volunteers are trained in their task and have access to tools/materials, that proper safety procedures are being followed, that the work product is of good quality, and that volunteers enjoyed and feel appreciated for their service.
- Complete direct hands-on repairs, including but not limited to: rough/trim carpentry, tile work, grab bar installation, wheel chair ramp/safe entry/egress repairs, interior/exterior painting, basic electrical or plumbing, and weatherization.
- Recruit House Captains to provide on-site leadership of volunteers completing direct hands-on repairs and other skilled-trades volunteers to complete skilled repairs and modifications. Conduct trainings to bring volunteers in leadership/specialty roles up to speed on Rebuilding Together Peninsula's model of delivering services and completing projects.
- Obtain necessary permits, inspections, and other approvals to begin work.
- At the end of each rebuilding day, evaluate productivity against the work scope and ensure quality and completion of work.

Knowledge, Skills, and Abilities

Preferred

- Bachelor's Degree or relevant life/work experience
- Experience with database, inventory, and barcoding systems or willingness to learn
- Solid interpersonal skills and ability to make connections and build relationships with volunteers
- Ability to work with diverse clients, volunteers, and staff to create a friendly, helpful atmosphere
- Volunteer service experience; managing or coordinating other volunteers is a plus
- Bilingual in Spanish a plus

Required

- Comfort with speaking and presenting in front of large groups--experience training or teaching adults/volunteers is a plus
- Proficient with Microsoft Word, Excel, and use of internet
- Ability to function in a fast-paced, collaborative environment where each team member must balance being organized and detail-orientated with being flexible and keeping up with changing scopes of project work
- Ability to communicate in clear and encouraging language with a diverse community and staff—in writing, in person, and over the phone

Description of Physical Demands

- They must be able to travel independently to meetings in the community and in client homes
- Must be able to navigate an active construction site, including: climbing stairs and ladders, standing, lifting, and carrying for extended periods of time over difficult terrain.
- Must be able to lift 50 pounds on a regular basis as part of their responsibilities to complete direct hands-on repairs and assist with the delivery of materials and tools.

- They will assist with several rebuilding days during the term--as such they must be able to walk, climb stairs, stand, lift, and carry for extended periods of time.

Other Requirements

- Access to reliable transportation for daily commute
- Access to reliable transportation for regular travel during the work day as part of core responsibilities
- Use of a personal vehicle is recommended due to inadequate public transportation
- Valid driver's license and driving record to allow use of affiliate-owned or -rented vehicles or trucks
