AmeriCorps Program: CapacityCorps  
Title: AmeriCorps Safe and Healthy Homes Project Coordinator - Pinellas  
Location: St. Petersburg, FL – Pinellas Satellite Office

About Our Community

Rebuilding Together Tampa Bay provides housing rehabilitation services across Hillsborough and Pinellas Counties. Over the last 20 years, we have focused our work on neighborhoods and communities in great need. We rebuilt homes in Hillsborough County’s Tampa Heights Neighborhood, Progress Village and Palm River Clair Mel. Sulphur Springs (Hillsborough County), one of our Building Healthier Neighborhoods, has been a great success. Over the course of nine years, 60 homes have been rebuilt and we now offer our affordable housing program to first-time homebuyers. Recently, RTTB has implemented our Building Healthier Neighborhoods Program in West Tampa. In December 2019, our staff and subcontractors beautified Rey Park and its Recreation Center, doubling the number of children who use the facilities.

From 2009 to 2014, Rebuilding Together Tampa Bay rebuilt 63 homes in the Bartlett Park and Campbell Park Neighborhoods of St. Petersburg, Florida. Last year, we implemented our Safe and Healthy Homes Program in Pinellas County, focusing on our Healthy Homes for Children Program. This program provides minor repairs for homeowners who have children with severe respiratory conditions. The children in our program have reported reduced numbers for emergency room visits, even taking less prescribed medications for their Asthma and Allergies. This program is expanding to focus on Lealman, a Community Redevelopment Area in Pinellas County.
