AmeriCorps Program: CapacityCorps
Title: AmeriCorps Project Coordinator – Disaster Resiliency Fellow
Location: Dayton, OH

About Our Community
For twenty-five years, Rebuilding Together Dayton has assisted our neighbors with needed repairs and modifications to make their home safer and healthier. Our services focus on the elderly who have lived in their home and community for many years. This population is on the rise with approximately 10,000 baby boomers turning 65 every day.

In 2020, we will be targeting our efforts in an area of five distinct neighborhoods that are part of the HUD Choice area. There are over 25 stakeholders working in these communities so our impact will be leveraged by the involvement of municipalities, hospitals, colleges and community groups. In May 2019, the area suffered significant damage from tornadoes. We are collaborating with long term recovery partners to rebuild these communities.
