

Rebuilding Together CapacityCORPS

AmeriCorps Project Coordinator

Host Site: Rebuilding Together Orlando
AmeriCorps Program: CapacityCORPS
Title: AmeriCorps Project Coordinator
Location: Altamonte Springs, Florida

About Our Community

Rebuilding Together Orlando (RTO) serves very low-income, elderly, disabled, and veteran homeowners with critical housing needs. RTO addresses critical home repair, health, safety and accessibility ranging from complete re-roofs to the installation of smoke detectors. RTO is one of the only organizations in the Orlando area that currently addresses roofing for the client population they serve, while the vast majority of clients who call report roofing needs. RTO believes in a healthy and safe home for every person. This means that we believe disabled and aging homeowners should be able to remain in their homes for as long as possible. We believe that homeowners displaced by natural disasters will get back into safe housing with help from the community. We believe that our nation's veterans with disabilities deserve safe and accessible homes. Rebuilding Together believes we can preserve affordable homeownership and revitalize communities by providing free home modifications and repairs, making homes healthier, safer, more energy efficient and more accessible.

Summary of Position

A well-run rebuilding project requires a lot of planning and skill behind the scenes to ensure that clients, volunteers, and others come together to have an impactful, uplifting project day. The AmeriCorps Project Coordinator manages rebuilding projects from start to finish, beginning with the initial visit to assess the client's home repair needs, through the completion of the work scope and final project evaluation. They will coordinate with clients, skilled volunteers, community partners, vendors, inspectors, and staff to develop and implement sustainable and effective project logistics practices. The AmeriCorps Project Coordinator will follow up with clients after each project to ensure that the health or safety concerns of the clients were addressed according to the work scope and complete any punch list items.

Essential Duties and Responsibilities

- Coordinate communication between clients, staff, House Captains, and contractors such that all parties are on the same page about work scope, timeline/timing of project elements, and expectations.
- Meet with clients to complete home assessments, develop a work scope and materials list, and collaborate with other team members to develop a project timeline (especially if coordination with volunteers or contractors is required).
- Arrange purchase and delivery of crucial project needs, including: tools and materials, personal protective equipment, dumpsters and other rented items, water and snacks. Maintain a system for warehouse inventory to allow bulk purchasing, the reuse or repurposing of tools/materials,

and an efficient supply chain. Ensure routine maintenance of Rebuilding Together-owned tools between projects.

- Oversee general volunteers in completing direct hands-on repairs. Ensure that volunteers are trained in their task and have access to tools/materials, that proper safety procedures are being followed, that the work product is of good quality, and that volunteers enjoyed and feel appreciated for their service.
- Complete direct hands-on repairs, including but not limited to: rough/trim carpentry, tile work, grab bar installation, wheel chair ramp/safe entry/egress repairs, interior/exterior painting, and weatherization.
- Recruit House Captains to provide on-site leadership of volunteers completing direct hands-on repairs and other skilled-trades volunteers to complete skilled repairs and modifications. Conduct trainings to bring volunteers in leadership/specialty roles up to speed on the Rebuilding Together model of delivering services and completing projects.
- Obtain necessary permits, inspections, and other approvals to begin work.
- At the end of each rebuilding day, evaluate productivity against the work scope and ensure quality and completion of work. Upon completion of the project, survey clients to measure short- and long-term outcomes and overall client satisfaction.
